

NOMMA PLUSTM

THE NO PRIMER SOLUTION

Nomma PlusTM liquid is a primerless, acrylic monomer that delivers technologically advanced features to professional nail technicians at a reasonable price. This acrylic liquid is GUARANTEED NOT to contain any MMA. It is safe to use in all states, prevents yellowing, applies smoothly, and dries quickly without a strong odor. The state boards of Oklahoma, Ohio, Florida, and Colorado have been testing for MMA, while other states are soon to follow, and **Nomma PlusTM** is the perfect solution.
